("iPayment" and, together with Holdings, the "Companies") announced the further extension of the exchange offers (the "Exchange Offers") and consent solicitations (the "Consent Solicitations," and together with the Exchange Offers, the "Offers") relating to Holdco's 15.00%/15.00% Senior Notes due 2018 (the "Holdco Notes") and Opco's 10.25% Senior Notes due 2018 (the "Opco Notes" and, together with the Holdco Notes, the "Existing Notes") previously commenced by the Companies on November 7, 2014 pursuant to the Offers to Exchange and Consent Solicitation Statement, dated as of November 7, 2014 (as it may be amended from time to time, the "Statement").

As of 5:00 p.m., New York City time, on December 17, 2014, according to Global Bondholder Services Corporation, the Information and Exchange Agent for the Offers, approximately \$134,389,664, or 96.98%, of the aggregate principal amount of outstanding Holdco Notes had been validly tendered for exchange and not withdrawn and approximately \$374,594,000, or 93.65%, of the aggregate principal amount of outstanding Opco Notes had been validly tendered for exchange and not withdrawn.

The Companies have extended the expiration time of the Offers from 5:00 p.m., New York City time, on December 18, 2014, to 5:00 p.m., New York City time, on December 22, 2014.
